

REMARKS

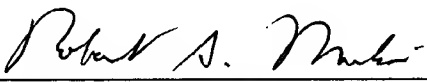

Subsequent to filing, it was determined that the Amendment filed in this application on November 20, 2003, contained inadvertent errors in the formulae in claim 4, formula (I), and claim 9, ammonium salts (1), (2), (3), (5), and (9). These errors occurred during the reproduction of these formulae for presentation in the Amendment. None of these formulae were amended as can be determined by a comparison of the claims as originally filed and as presented in this Amendment.

Accordingly, it is requested that the present set of claims replace the set filed on November 20, 2003.

Should the Examiner wish to discuss any aspect of the present application, he is invited to contact the undersigned attorney at the number provided below.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
